Early Childhood Consultation Partnership (ECCP®)

MEETING THE NEEDS OF YOUNG CHILDREN AND FAMILIES.

The Early Childhood Consultation Partnership (ECCP®) is an evidence-based early childhood mental health consultation program designed to meet the social and emotional needs of children, birth to five, by offering support, education and consultation to daycare, pre-school and other educational settings that serve young children, as well as to their parents and other caregivers. The statewide program provides mental health prevention and early intervention services; builds the capacity of parents, teachers and caregivers; and promotes enduring and optimal mental health outcomes for young children and their families.

This statewide program serves families and early education providers.
